FAST BOUTS IN MANY RINGS. SPORTS EDITED BY MURPHY MEETS ATTELL TO-NIGHT.

HOW THEY'LL GO TO THE FIGHT IN PHILADELPHIA.

ABE ATTELL MAY SPOIL THAT PUZZLING DEFENCE OF MURPHY'S AS HE DID HANLON'S.

THE NEW YORK BUNK WILL START LIKE A POLAR EXPEDITION.

EDGREN'S COLUMN

BOB FITZSIMMONS is engaged just at present in taking his show through the wilds of Michigan, playing at one-night stands. The following telegram, after zig-zagging through the woods, caught him at Lansing:

"How about Clark Ball's offer of a \$25,000 purse for a fight between yourself and O'Brien in Panama? "EVENING WORLD."

Bob's reply came as follows: "Evening World: "Clark Ball's offer looks good, but it will be necessary for him to deposit a certified check for amount of purse, and as soon as O'Brien receives my five-thousand side bet will sign."

"Clark Ball's offer looks good, but it will be necessary for him to deposit a certified check for amount of purse, and as soon as O'Brien receives my five-thousand side bet will sign."

UNION B. C. TO HAVE BANQUET

To fittingly commemorate the twenty-fifth anniversary of the incorporation of their organization the members of the Union Boat Club, New York's leading amateur rowing club, will banquet at the Manhattan Hotel, Saturday evening, Feb. 4. Though the club was organized in 1873 articles of incorporation were not secured until 1898, hence the quarter-centennial celebration.

WILLIE 'FITZ'S' REPLY TO LEWIS

Willie Fitzgerald has sent a prompt reply to Willie Lewis regarding their proposed match. "Fitz" says that he will fight the New Yorker for fun, marbles or money. In a letter he says that he is not trying to dictate to Lewis and will take back his offer to fight him at 125 pounds, and meet Lewis at the latter's own weight and terms.

"Let him post a forfeit and we will fight before the club that will offer the best inducement," said Lewis. "Fitz" looks the same to me as the rest, and a winner who will help pay my record a little.

The chances now look bright for the match, and if it is clinched it should prove the best that has been held between light-weights in some time.

TUCKER TO FIGHT KID GOODMAN

Kid Goodman, the New England featherweight, who has been winning many battles recently, has just signed articles for another important bout. He has been matched to fight Chuck Tucker, the hard-hitting feather-weight fighter of the Avoca A. C. of this city. They will clash for fifteen rounds before the Douglas A. C. of Chelsea, Mass., on the night of Feb. 10. These men should make a great battle, as they are evenly matched.

from the delay. In fact, Attehl has been making hay while the blizzard blew, for he has his spare time to sign for another match, to follow closely on the heels of this one. Should Murphy let go the punch that his friends claim he possesses, Attehl may hardly care to go into another fight for a few days.

TOMMY WEST, who is wintering in San Francisco, says that Hyland, the feather-weight, matched against Frankie Neil for the 31st, is a fighter, and a good one. There is no other man in the fighting game whose judgment of a fighter I would prefer to rely upon. West is a natural fighter himself, and despises the boxer who poses prettily and falls when it comes to mixing.

COOLEY PUT QUINN TO SLEEP IN FOUR ROUNDS

The "Scaldy" One Failed to Display Any of His Old-Time Cleverness and Received a Fearful Thashing.

(Special to The Evening World.) PHILADELPHIA, Pa., Jan. 28.—Fred Cooley, of Chicago, knocked out "Scaldy" Quinn, of Buffalo, in the fourth round at the Kensington A. C. last night. The fight was fast and furious until the knockout.

"Scaldy" displayed but little of his old-time cleverness and hitting ability, and tried to do the brother act throughout the bout.

The preliminaries were all good and were much better than the stellar attraction, especially the bout between "Young" Rex, of Brooklyn, and Willie Smith. At the end the boys were all in and a draw was made.

Tommy O'Keefe, the little fighting machine who has been making rapid strides to the front of late, stacked up against a Tartar in the person of "Kid" Hogan at the Frankford A. C. The boys fought like young bulls, desperately trying to slow each other away. A draw was fair to both.

The semi-wind-up was productive of a surprise package. "Jig" Fellows, a comparative novice, handed a dose of knockout to Jack Dewees after three rounds of battling the like of which has seldom been seen in this burg.

FORBES PUTS CHERRY OUT

(Special to The Evening World.) DETROIT, Mich., Jan. 28.—The bout between Joe Cherry and Harry Forbes at Saginaw last evening came to a quick finish, Forbes putting a right to Cherry's jaw after two minutes and forty seconds of boxing in the first round, and sending Joe down and out. It was the first hard blow struck in the bout, months ago the boys met and Cherry was beaten in thirteen rounds.

SIMMS BEATEN IN SIX ROUNDS

(Special to The Evening World.) BOSTON, Mass., Jan. 28.—"Artie" Simms proved himself to be a man possessed of science and a dangerous punch, but his punch never landed effectively on the more forceful "Kid" Tucker.

Should Murphy let go the punch that his friends claim he possesses, Attehl may hardly care to go into another fight for a few days.

EVENING WORLD TOURNEY SHOULD BE SUCCESS

Seventy Teams Have So Far Sent in Their Entries for the Big Free Head Pin Bowling Tournament, Which Starts on Feb. 6.

That the Evening World's Free Head Pin tournament will be the banner event in bowling circles of the year is clearly demonstrated by the large number of entries that have been received.

Several teams, representing the pick of New York's bowling fraternity, have signed the blanks, and every mail brings in more clubs for the championship of the United Bowling Clubs that will revert to the winner of the tourney.

New Yorkers will not have things their own way in this tourney, for to win they will have to defeat the cranks of New Jersey. One of these teams, the Patersons, of the Eastern League, and the Newark, will be strong contenders.

It is confidently expected that when the tournament opens on Feb. 6 there will be one hundred clubs entered to battle for the prize.
